SERVICE BULLETIN

760 Ratchet Cable Cutter

Read and understand all of the instructions and safety information in this manual before operating or servicing this tool.

IMPORTANT SAFETY INFORMATION

SAFETY ALERT SYMBOL

This symbol is used to call your attention to hazards or unsafe practices which could result in an injury or property damage. The signal word, defined below, indicates the severity of the hazard. The message after the signal word provides information for preventing or avoiding the hazard.

⚠ **DANGER**

Immediate hazards which, if not avoided, **WILL** result in severe injury or death.

⚠ **WARNING**

Hazards which, if not avoided, **COULD** result in severe injury or death.

⚠ **CAUTION**

Hazards or unsafe practices which, if not avoided, **MAY** result in injury or property damage.

⚠ **WARNING**

Electric shock hazard:
This tool is not insulated. Contact with live circuits could result in severe injury or death.

⚠ **WARNING**

Wear eye protection when operating or servicing this tool.
Failure to wear eye protection could result in serious eye injury from flying debris.

⚠ **WARNING**

Keep hands and fingers clear of blades.
Failure to observe this warning could result in severe injury or death.

Note: Keep all decals clean and legible, and replace when necessary.

⚠ **WARNING**

Read and understand all of the instructions and safety information in this manual before operating or servicing this tool.
Failure to observe this warning could result in severe injury or death.

All specifications are nominal and may change as design improvements occur. Greenlee Textron Inc. shall not be liable for damages resulting from misapplication or misuse of its products.
